About Me

Aspiring to work as a front-end developer, where I can leverage my skills, contribute to the organizational growth, while learning and growing in a dynamic and innovative environment. Committed to adding value as an active team member.

Experience

Agi Infotech : April 2024 - June 2024

Internship

Worked as a Mern intern, mainly as a frontend developer. Worked on 'Lead Management System' project to develop user friendly and responsive interfaces using react, and libraries such as material ui.

Also learnt about node and express for backend integration
